PURPOSE.

The mission of the Focus on Programming Scholarship Program is to provide financial assistance to graduating seniors who have exhibited academic excellence in computer programming and computer science.

SCHOLARSHIP AWARDS. Focus School Software awards scholarships on the basis of a comprehensive process. An award amount of \$1,000 will be given to the winning High School Senior to be used towards upcoming college funds.

Areas reviewed by the committee include, but are not limited to the following: academic achievements and awards, functioning applications developed, extracurricular activities, and technological impact on the future through programming.

Students should submit all:

- Programming related certifications they have acquired

- **A sample of programming or a functioning application they have developed**
- **Have a minimum GPA of a 3.0.**
- **School Transcript**
- **At least one recommendation letter from a teacher or admin**

Download the application [HERE](#) and then please mail three (3) copies of your application in a single envelope to:
